Shirt Law Ready for Enactment

Issue Publicized
Throughout Entire
State and Nation

The entire United States will be watching Palm Springs Friday — to see what action city council will take on its proposed "shirt" ordinance.

City Attorney Jerry Bunker reported today that the ordinance is ready for presentation at the special meeting of council at 10:30 a. m. Friday.

Council directed him to prepare the new law prohibiting men without shirts from entering cafes and bars — and although anticipating opposition and intense interest among Villagers, the city's governing body didn't count on the proposal receiving nation-wide publicity.

MANY OUT-OF-TOWN papers and radio commentators, in reporting on the proposed ordinance, asked "what's happening in the 'Sun town'?"

Councilman Jerry Nathanson, who proposed the controversial law, reported that he himself as a result of his name being mentioned in news dispatches, has received many letters from Villagers and visitors alike. Some express approval and others, of course, disapproval, he added.

NATHANSON HAD proposed the ordinance to protect those persons who do not wish to sit next to shirtless men while eating or drinking.

Attorney Bunker said that if the law is enacted, it will be the first of its type in the United States, according to the findings of his research. A similar law is not included in Menlo's collection, which has every type of law in existence, he explained.

"Now it's up to the council, and whatever they decide, the 'shirt issue' in the 'Sun Town' will become news throughout the United States again."

Council to Let Bids Friday on Street Project

City Council will hold a special meeting at 10:30 a. m. Friday, to approve bids to pave North Indian avenue from Paseo El Mirador to south of Alejo road.

City Manager Russell Rink reported to Council Wednesday that the California State Highway department had approved the city's proposed use of approximately \$45,000 in gas tax allocations for the project and had requested the special meeting so that work could be started as soon as possible.

He estimated that the work could be completed by early November.

This Side of The Sun

By Phat

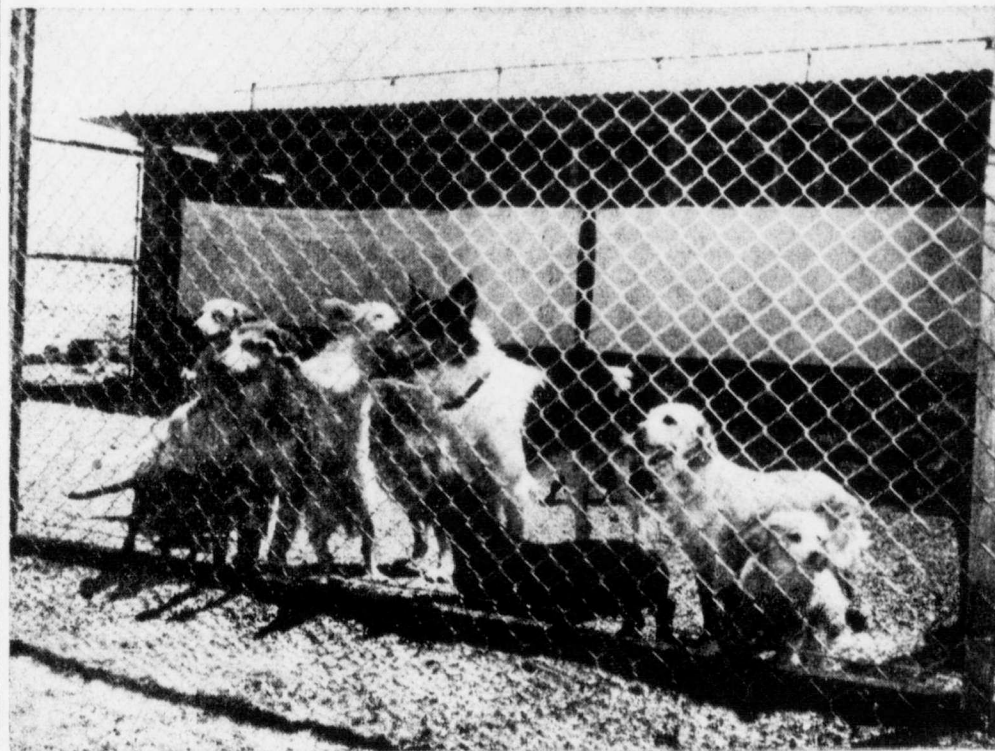

Los Angeles, California

This piece is written

of Chalky Littler
and the F. S. P.

Here I am sitting in an office with three women . . . All F.S.P. staffers . . . Writing this column on a borrowed Southern Pacific typewriter . . . Went to see Charles Littler of the advertising department but found he was home recuperating from an operation . . . But Mrs. Littler in another office, offered me the use of this mill . . . So you'll have to bear with me this week, too.

THE REASON I had to borrow a typewriter was because Mrs. G. has put a verboten sign on her portable . . . Claims that for the past two years while on vacation and using her typewriter to eke out these pieces, it has cost her \$7.50 for repairs after I have gone back to work . . . Repairs on the typewriter, that is . . . That was for one month each time . . . This year it is six weeks and with the acumen of an Einstein she estimated that it would be \$10.75

(Desert Sun photo)
NEW ANIMAL HOME—Palm Springs new, modern Small Animal Home has been completed, and is now in operation. Pictured above are dogs which are now being cared for by Humane Officer Pat Hegarty, until they are claimed by owners or adopted by other persons.

School Budget Hearing Set for Wednesday

Board of Trustees, Palm Springs Unified School District, was forced this week to revise their 1953-54 fiscal year budget and delete the proposed \$40,000 addition to Nellie Coffman school.

Public hearing on the new budget will be held at 7:30 p. m., Wednesday, August 5, in the Frances S. Stevens school offices. The public is invited.

THE BUILDING project was deleted after the board was informed by the county superintendent's office that anticipated income might not be as large as planned. All other items in the original budget remain the same.

Dr. Arthur Hoff, schools superintendent, reported that construction of additional rooms was not needed this year, but would be needed by the 1954-55 school year. The construction had been budgeted with this in mind, he explained.

THE BUDGET which will be presented for approval Wednesday evening amounts to \$899,458, an increase of \$29,828 over last year's figure.

Increases this year are in administration, instruction, auxiliary services, operation of the school plant, food service and sanitation services, with decreases noted in maintenance of school plant, fixed charges, transportation of pupils and capital outlay.

Despite the increase in the budget, it is estimated that the school tax rate, set by the local board will remain at \$1.355 per \$100 assessed valuation.

Police Salary Increase Request Filed by Council

Council Wednesday deferred action on the request of the Palm Springs Police Officers Association for a \$50 monthly salary increase until the retirement cost survey for city employees is completed.

City Manager Russell Rink recommended that the request be filed, saying that "if the gap between the cost of living and salaries should be closed for police department personnel, it should likewise be closed for all other employees who are affected by the cost of living to the same degree as the police personnel."

THIS WOULD necessitate an increase of 13 1/4 per cent and would cost approximately \$61,000 a year, he added.

Rink agreed with the association that the cost of living has risen substantially above the corresponding salary increase since 1946, but said that for the past eight months the Consumers Price Index has remained fairly constant.

Home Run King Born to Kiners

Mr. and Mrs. Ralph Kiner (Nancy Chaffee) are the parents of a 7-pound, 4-ounce son born yesterday in Chicago.

NEW CITY ANIMAL HOME FINISHED, IN OPERATION

Palm Springs new, modern Small Animal Home, located on Ramon road is now in operation. City Humane officer Pat Hegarty announced today.

And the public is invited to inspect the premises, and especially to view the 12 homeless dogs and two cats now being kept there until suitable homes are found for them.

The Small Animal Home was constructed at a cost of approximately \$3000, and is modern in every detail. Hegarty included in the plans an invention of his own — a continuous sprinkling of water over the roof and sides of the building which keeps the temperature comfortable.

THE BUILDING consists of a storage room, where cats also are kept, and five large kennel spaces. In addition, there is a large, fenced exercise area.

Hours when owners may claim their pets or when Villagers may select new pets are from 8 to 9 a. m. and 4 to 5 p. m., daily, and from 8 to 9 a. m., Saturday and Sunday.

PERSONS LOSING pets may also utilize a special service — checking the bulletin board near the entrance to the police

station which lists descriptions of all dogs and cats at the animal home.

Pets in the animal home, under city ordinance, are to be kept seven days only, but Hegarty said that after this time he has been caring for pets in his own home when he believes that he will be able to find a home for them.

IN A NEW POLICY, he said that all tips or donations refused before will hereafter be accepted and the owner given a city receipt. These funds will be used to increase the time of caring for pets at the pound, he explained.

He urged pet owners to secure identification tags for identification and restoration of the dog to its owner.

TAGS ARE available at the city clerk's office and also from Hegarty. Cost is \$2, regardless of sex. Identification cards are kept at the city clerk's office, police station and by Hegarty.

An appeal was also issued to persons who are planning to leave Palm Springs permanently or go on vacation, and will leave their pets unattended, to bring them to the Animal Home. "We will try to find homes for them," Hegarty said.

ARMY ENGINEERS PLAN AREA GEODETIC SURVEY

United States Army engineers were granted permission by council Wednesday evening to use several old buildings at the Palm Springs Airport for offices and barracks while they conduct a geodetic survey of the San Jacinto Mountains and the desert area.

Presenting the request for use of the buildings was Airport lessee Malcolm Haskell and Captain Grady McDuff of the Army Engineers.

McDUFF SAID that the helicopter survey would require three months and it will complete four years work of mapping from the air otherwise inaccessible areas of the Pacific Coast.

An advance organization team will start operations in November, with the actual survey work to be done during January, February and March. Sixty men and four helicopters will be used in the operation. The survey work is being done for the Department of the Interior's Geological Survey division.

The group, which is now conducting geodetic surveys in Alaska, was in operation in the Hemet area last year.

Council was assured by Captain McDuff that the helicopters will not operate over the city and will not operate at night.

Identify Me
Sgt. John Herrera
Held Up at Border

"Tell them who I am," Sgt. John Herrera told the police department this week in an emergency telephone call from the Border Patrol office between the United States and Mexico.

Border officials refused to permit him to re-enter the United States upon his return from a fishing trip at Ensenada as he had left all identification in Palm Springs.

Quick verification to his identity was given by local authorities and Sgt. Herrera returned home in time to resume his police duties.

Bids Asked for
North Park Work

Bids were asked today by the city of Palm Springs for construction of a shelter house and two shuffleboard courts at the North End park.

City Council Wednesday approved the transfer of \$5200 from the unappropriated reserve to pay engineers who will provide plans for street assessment districts.

The funds will be returned to the reserve when the assessment bonds are let by the city.

Funds Voted to
Pay Engineers

City Council Wednesday approved the transfer of \$5200 from the unappropriated reserve to pay engineers who will provide plans for street assessment districts.

The funds will be returned to the reserve when the assessment bonds are let by the city.

Safety
City to Receive
National Award

Palm Springs police department will receive the top National Safety Council award for cities of 10,000 population and under at a special ceremony at 3 p. m., Friday, at the police station.

The award is being presented in recognition of the Village having had a traffic fatality free year, Accepting the honor will be Police Chief John Davis and Sgt. Howard Poe, who is in charge of the traffic division of the department.

Water
Comes Rushing Out
Front Door of House

Palm Springs police received a hurried call from a person walking on Indian avenue Friday reporting that "water was running out from under the front door of the house at 1310 North Indian avenue."

Police called the Palm Springs Water Department who shut off the water from an outside connection.

A telegram was then sent to owner H. W. Munson, requesting permission to enter the house to check the damage, and informing him of the incident.

Check Passer Bound
Over to Superior Court

Clarence William Stoutenberg, a transient worker from the city of Riverside, was bound over to superior court this week on a charge of passing approximately \$150 worth of bad checks on Palm Springs markets.

Rink Dismissal Hearing Date to be Set Friday

City Manager Issues Reply to Charges

Asks What Type
Government Does
Council Want Here

City Manager Russell Rink, in answer to the notice of intended dismissal served him by council last Thursday, this week issued the following statement in his defense:

"The action of four members of the City Council in dismissing me as city manager raises the vital question, 'What kind of government does the Council want for Palm Springs?' In living up to the ethics of my profession I have strived for and achieved, honest, efficient government."

"Mayor Charles D. Farrell, who has done so much for Palm Springs while serving on the Council for nearly 8 years, cast a dissenting vote on the motion to dismiss me. I am exceedingly grateful for his expression of confidence."

THE COUNCIL'S CHARGES against me are (1) My public relations are bad, and (2) The Council has lost confidence in my performance as a city manager. Nothing is said about the honesty or efficiency of my administration. Both charges are nebulous and neither is supported by facts.

"If good public relations consist of being the most popular person in town then I am guilty of the Council's first charge because I would certainly not win a popularity contest. I do not believe that the city manager, as such, should be gauged by the measure of his own public relations but rather by the public relations of the city administration he heads."

"GOOD MUNICIPAL public relations consist of courtesy to the citizens across our counters when they apply for business licenses, building permits, waste disposal and other city services; courtesy in handling a citizen when he needs fire and police protection, or is guilty of some infraction of the law; the reputation for impartial enforcement of the law; the knowledge that complaints or requests for service are handled with the same interest and dispatch whether they are made by rich or poor, influential or average citizens."

"The city manager can and should be criticized if these public relations are not good. The record will show that during the nearly four years that I have served the city, the public has been treated courteously and impartially at all times. The open door policy is observed by every department and the public is invited to review any expenditure or record. Copies of preliminary and final budgets are made available to citizens at the public library."

See RINK, Page 10

THROUGH IN POLITICS, AVERS CHARLES FARRELL

"I'm through with politics."

That statement was uttered by Charles Farrell who personally announced at the last meeting of city council that he desired to resign as mayor of Palm Springs and who, despite the pleadings of other councilmen, persisted in giving oral notice of his resignation.

In a telephone conversation with The Desert Sun yesterday, Farrell, whose resignation becomes effective July 31, stated that he was in the process at that moment of formally notifying city council in writing of his resignation.

AT THE SAME TIME, Farrell pointed out that he has been a long time resident of Palm Springs and although he is not going to take an active part in politics he added:

"I plan to be a good citizen of Palm Springs and to do my share and more if necessary, in civic work."

He said that the motivating reason behind his resignation is his commitments in television as co-star in the nationwide broadcast of the popular program entitled "My Little Margie," and a coast-to-coast

radio broadcast of the same show.

"THIS WORK, coupled with the operation of the Racquet Club is about all the time I have," he explained.

Close friends and members of the city council have stated many times that Farrell has devoted a lot of time as Mayor of Palm Springs and the job personally cost him a considerable amount of money.

DURING HIS almost eight years as a member of city council he has entertained hundreds of visiting persons representing official bodies in other cities and has never asked the city to reimburse him for expenses involved on such occasions.

Farrell does not plan to attend another meeting of city council as a member of that body, he said.

HORSE RACING BOARD DEFERS HEARING ACTION

California Horse Racing Board refused to act at its hearing in Los Angeles Monday on the request of the Palm Springs Turf Club to set a hearing date for its application for establishment of thoroughbred horse racing in the desert area.

The Turf Club had requested that the hearing be set for October when most vacationers have returned to the Village.

ACTION WAS NOT taken by the board at this time because the petitioners have not received approval for their stock promotion issue from the state corporation commission, according to William V. O'Connor, chief deputy attorney general, counsel for the racing board.

"The California Racing Board cannot consider the application until a separate application before the corporation commission is granted," O'Connor explained.

"Another application before the same state body filed by the Palm Springs Development company is also pending and it too has a direct bearing on the application for thoroughbred racing in Palm Springs."

O'Connor indicated that the application was also not complete, as it failed to show how much money had been pledged for the erection and maintenance of the track, and the amount of money each of the 30

persons listed as stockholders had pledged for the development of the Palm Springs Turf Club proposed track.

E. L. Stanchiff, vice president of the Palm Springs Turf Club, reported following the meeting that approval from the corporation commission is expected in the near future.

Yesterday afternoon in a telephone communication with The Desert Sun, O'Connor said:

"WE ARE RETURNING the application of the Palm Springs Turf Club and the \$900 deposit that organization had placed with the California Racing Commission last February. At this time there is no application pending before the commission for thoroughbred horse racing."

The PUBLISHER'S Corner by OLIVER B. JAYNES

REMEMBER where you were and how you felt on November 11th, 1918? I do. I was in the hospital in Toul, France, just awakening from the dreams under an anesthetic to the reality that I was still alive. I could hear bells and shouting in the nearby city. What's happened? . . . I ask the nurse.

"The war is over."

The first thought—we won! It was a wonderful feeling. And then—maybe if I pull through this I'll get back home after all.

Remember V-J day twenty-seven years later? Where you were and what you did? I do. I was in Hollywood. The people had gone mad like they did, I guess, back in 1918. The streets were jammed. The jubilant celebration caught up everyone.

The war is over!

This is Sunday night, July 26, 1953. A truce has just been signed in Korea. Remember your feelings? Yours and mine, like millions of other Americans, was a feeling of great relief. This time there was not the urge or inspiration to celebrate. It was a time, rather, for thanksgiving and hope; thankful that there would be no more additions to the casualty lists from Korea and hope that still another world war may be averted.

Although the fruits of our effort to stop Communist aggression in Korea have been realized, there is not the stimulating sensation of victory. We cannot help but realize that the same forces are still at work. We know there is danger in Korean truce but our leaders believe it is worth the calculated risk. Most of us do too.

One of the greatest dangers in the Korean armistice—in addition to its unfinished business—is a let-down in this country like that which occurred in 1918 and 1945. It is not as probable as it was after those two other wars because experience has taught us much. But there is still a feeling among many Americans of over-confidence. Invincible? We must get it out of our heads that it can't happen here.

I have just been watching a pictorial review of the Korean war on the television screen. The cost in American lives, the suffering and hardships, the courage and determination of the

New City Hall Plans Presented to City Council

Preliminary plans for a new city hall for the city of Palm Springs were presented to the city council Wednesday by Clark and Frey, architects.

Council will study the proposed plans, with official approval of them and selection of a site being delayed until Fall when vacationers have returned to the Village.

Council approved payment of one per cent of the allotted money toward the drawing of the plans.

County Planners Complete Zoning of Desert Area

County planning commission this week approved and recommended to the board of supervisors the adoption of a new comprehensive zoning of the area from Palm Springs to one fourth mile east of Palm Desert, and from the mountains to the railroad track.

The area involved covers 170 square miles, with the zoning designed to prevent any adverse building of any kind.

First Extra in History Published

News of Rink, Farrell Breaks After Sun Published

History in the newspaper business was made in Palm Springs Wednesday.

The first "Extra" in the history of the Village was published by The Desert Sun.

The regular edition of The Sun had been printed by the time the news was flashed from the council chambers that City Manager Russell Rink had been asked to resign, and that Mayor Charles Farrell had submitted his resignation.

BELIEVING THAT the news was of the utmost importance to Villagers, the news staff and composing department were immediately contacted and started to plan the "extra."

The story was written, set into type, the page was remade and on the press within two hours after the news was first received. Newsboys were on the street with the first copies by 10 p. m., and the paper was distributed to newsstands as quickly as possible.

REGULAR SUBSCRIBERS did not receive a copy of the "extra" as their papers had already been addressed and taken to the post office before the news was received.

To illustrate to Villagers who did not receive a copy of the "extra" or who perhaps did not have the opportunity of purchasing a copy at the newsstands, The Desert Sun this week is reproducing the front page (at right).

From Page 1—MORE ABOUT HEARING

elaborated on the two charges cited in Rink's dismissal notice:

"1. POOR PUBLIC relations maintained by you with the members of this city council and with the public at large, and (2) the lack of confidence in the city manager by the city council in the performance of your duties as city manager."

"As for the first reason," McKinney said, "there have been numerous complaints regarding the poor public relations between the city manager and Villagers. Most of these can and will be brought up before the public at the hearing, but the manner in which the city manager has handled requests by his own department heads is the most disturbing."

"MAYOR CHARLES Farrell," McKinney continued, "who cast the only vote in Rink's behalf Wednesday evening, was himself forced to reprimand Rink for the curmanner in which he answered the police association's request for a raise in pay."

McKinney was referring to Farrell's insistence that the request be filed only until a retirement cost survey for all city employees is completed, not just filed as recommended by Rink.

"AS FAR AS the second reason is concerned," McKinney said, "it was evident by the action taken by council Wednesday night that Rink had lost the confidence of council."

"It is of absolute necessity that the city manager and the council work together, for without this cooperation the taxpayers are cheated and the prestige and standing of the Village is drawn down," he added.

McKINNEY SAID THAT no changes are planned by council regarding present department heads, explaining that "each man will stand on his own merit, and will be judged by the job he is doing."

Procedure for the public hearing is as follows: Following the opening of the meeting, the city manager will present his

Desert Hot Springs Sells Water Bonds

Desert Hot Springs County Water district directors Saturday sold \$250,000 worth of bonds under a negotiated bid for \$236,325.

The sale will permit the directors to purchase the Desert Hot Springs Water Company for \$157,000 and to make needed improvements.

Buyer of the bonds was M. B. Vick and company of Chicago and several other firms. A negotiated bid became necessary when there were no bids submitted when the board advertised for bids on the bonds authorized by the district voters.

O'Shea Reports on Kiwanis Meet

Barrett O'Shea, recently returned from a trip East, told fellow Kiwanians about his attendance at Kiwanis International in Chicago and at a Kiwanis luncheon in San Francisco.

O'Shea addressed the Palm Springs club Tuesday noon at their weekly luncheon at the Palm Springs Biltmore. In his talk he outlined some of the ideas gleaned from Kiwanis International, which he expects to use this year as chairman of the committee for underprivileged children.

Kiwanis Family Fish Fry is scheduled this evening, with members invited to bring guests to the Rainbow Trout Farm at Whitewater. Those expecting to fish plan to be there at 4:30 p. m. and dinner will be served at 6 p. m. President Ray Lusby advised.

The council will then have the opportunity for rebuttal. It is not required that a decision be announced immediately.

Three Suspects Bound Over to Superior Court

Three Palm Springs men, charged with violation of Section 288a (sex perversion - punishment) of the penal code of California, were bound over to superior court by Judge Eugene Thorpe Tuesday, following a preliminary hearing in justice court.

ARRESTED at 4 a. m., Saturday by Patrolmen Edmund Gutmann and Alex Budsey, were Julian Sherman Speidel, 22, Robert John Salazar, 25, and Louis Burrola Benavides, 30. Further investigation of the case was conducted by Detectives Durman Ordway and Robert White.

Police Chief John S. Davis reported that the department is on the alert for this type of

2-The Desert Sun and PALM SPRINGS NEWS

violation in order that they may be jailed for the protection of the citizens of the community.

Bank of America Sets Dividend

Board of directors of the Bank of America at their regular meeting last week declared a dividend on the bank's common stock at the regular annual rate of \$1.60 per share for the current semi-annual period.

The first installment, it was announced, is payable at 40 cents per share on August 31 to shareholders of record August 10, and the second is payable at 40 cents per share on November 30 to shareholders of record November 9, 1953.

Safeway Receives Record Shipment of Frozen Peas

Safeway Stores, Incorporated, Los Angeles, this week received a trainload of 12 cars, more than a million packages, of fresh-frozen peas from Eastern Oregon.

So large was the shipment that the space for the peas could not be found in one warehouse and Southern Pacific delivered them to a half dozen warehouses where they are being kept frozen awaiting shipment to local Safeway stores throughout Southern California.

Alan Young, manager of Safeway's Whitney Frozenfood Division, describes the shipment as "probably the largest delivery of any frozen vegetable of one brand ever received in a trainload shipment in Los Angeles."

Arthritis?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis, and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

PUBLISHER'S CORNER

South Korean people should inspire us to make every sacrifice necessary to help carry on the cause they have so valiantly advanced.

RESTLESSNESS has characterized the affairs of municipal government here in Palm Springs ever since the last city election. The pot boiled over at the City Council meeting a week ago. What happened was almost inevitable. One of the causes was dissatisfaction over policies of the city manager. He will have the opportunity to publicly justify his actions at a hearing but that is the only purpose such a hearing would have. He may be removed at the uncontrolled discretion of the Council—and the vote leaves no doubt as to their intentions.

The resignation of Mayor Charles Farrell is particularly regrettable in view of his popularity and the sincere, unselfish service he has performed for the community. He has taken the job seriously and the responsibilities have weighed heavily upon him. He has stood for orderly progress and harmony, and has worked hard toward these goals. He has a strong sense of fairness that has governed all of his actions. His type of leadership will be hard to replace.

While he differed with the four other councilmen present on the motion to remove Manager Rink on 30-day notice, Mayor Farrell's resignation immediately after such action was taken was not motivated solely on that issue. The pressure of so many other demands upon his time brought him to the point that it was with considerable personal sacrifice that he carried on his city duties. The strain over differences of opinion in the city manager issue brought him to the point where he seemed to think it best to resign then and there. He regretted, he said, that he had not stayed with his decision to resign last November. It is unfortunate that conditions were not such that he could have stayed on until his term expired as he had hoped.

Already this year we have a new City Attorney and Chief of Police. Now we are to have a new Mayor and City Manager. "The whole town is getting restless," a business man told me the other day, "we'll never get any place if we don't settle down and give experience a chance." There is some truth in that observation. But it is more likely due to growing pains than anything else—and circumstances beyond control. No one can deny that Palm Springs is making progress.

A healthy sign is that the people are taking more interest in the affairs of the city. There has not been close enough cooperation between the agencies of government and civic groups. Both are somewhat to blame. Civic groups should present the city council and other agencies with their views and the council should be anxious to get such suggestions. If civic groups will present the council with constructive programs for the orderly development of the city, we feel sure such measures will receive careful consideration. The trouble has been that little attention is paid by citizens when the council is considering measures. The protests come too late—after the matters have been acted upon.

The Desert Sun has been giving careful consideration to civic problems and the part which this newspaper can play in serving both the people and the city government. We are formulating a plan, to be announced in the near future, which we believe will help as much as anything else to create better understanding between Villagers and their governmental agencies.

Citywide Recreation Activities

DESERT SOFTBALL league—Polo Grounds. Every Tuesday, Wednesday and Thursday at 8 p. m. Monday nights at Desert Hot Springs.

Courtesy Pays at Thrifty Drug

Approximately 100 Thrifty Drug Store employees enjoyed a gala outing in Los Angeles last week as a reward for having been selected the most courteous salespeople in Thrifty's annual Courtesy Plus campaign.

Included in the day's entertainment was a luncheon at the Hollywood Athletic Club on Sunset boulevard, a tour by chartered bus to CBS Television City and a special preview at MGM studios where the group saw "Dream Wife," starring Cary Grant, Deborah Kerr and Betty St. John.

THE COURTESY Plus Cam-

paign is an annual event in which all Thrifty Drug Store customers are invited to cast ballots for the salesperson they consider most courteous.

County to Have Safety Director

County Supervisors Monday agreed to establish a position of county director of safety in an effort to reduce the rising number of accidents among the 1200 county employees.

They indicated that the post would be given as an additional duty to Col. O. S. Drescher, who is the county coordinator of civil defense.

THIS SIDE

From Page 1—MORE ABOUT
this year. Also claims that each year after I got through the repair man found enough nuts and bolts in the bottom of the case to service another typewriter. So I had the happy thought of foisting myself on the F. S. P.

JIMMY SHEA, whom all Villagers will remember, is somewhere in this building, too, and will inflict himself on him later. Jimmy is going to Irvine

ranch today to make a presentation at the Jamboree I understand. I would have bummed a mill from Jimmy for this piece but he's with the P. E. and P. E. also stands for physical education. And I want nothing to do with anything physical. Not since we got away on our vacation. My back still aches from watching Mrs. G. packing the car when we left and the porters unloading it in here.

NO MATTER how old you get you never have seen it all. For instance, I saw something new last week. I thought

Hollypark was closed but found that it was running four days more. Mrs. G. refused to buck the traffic so I went downtown to a hotel, made like a tourist, and rode one of their busses to the track. We'll skip what happened there and jump to departure time. Sitting high in the bus going home could look down at the cars crawling through traffic. Stop, go six feet, stop. In a car which crawled along side of the bus in four lanes of traffic was a man, driving and READING A BOOK. He had the book resting on the steer-

ing wheel. Move forward a bit, and when he had to stop, he read. That guy will never have high blood pressure.

AT THE RISK of having Don Klotzbuecher, Hildy Crawford and Fred Weigel tear this up, will respectfully submit that at 4 a. m. one morning last week, I pulled up TWO blank-ets. But just that once. Will also admit that I have been, well, let's say, warm at times here in Los Angeles. Well, can see that my hunt and peck system has the three women working in this office on

In the good old . . .

SUMMERTIME

by Hildy Crawford

It's the good old summertime in the Village . . . a little warm . . . and comparatively quiet . . . but those of us who are still here (and there are more than you might think) . . . hold happy reunions whenever and wherever we meet . . .

Ran into Ned Crawford and his delightful Joan at the Chi Chi bar . . . and heard all about their jaunt to La Paz . . . and how she caught her first two marlin . . . and all Ned managed was a not-so-big sailfish . . . Just here for a few days . . . they are off for the Northwest . . . Portland and Yakima . . .

Anita Haskell Jones telephoned me the other morning . . . She was just in town to pick up her mail and was hurrying back to the cool waters of Balboa . . . where she has her cruiser "The Wooden Shoe" tied up . . . and promised me a cruise around the harbor whenever I get down that way . . . Anita and her daughter Jovanna were guests at Erle Stanley Gardner's Palomar ranch . . . The prolific writer of Perry Mason tales recently returned from two months in Honolulu . . . bringing back with him the manuscripts for two new books . . . He brought with him some houseguests from the Island of Maui . . . and Anita acquired some new recipes from them . . . From the ranch . . . the entire houseparty moved on to Gardner's beach home at Oceanside for a short stay . . . Later in the summer Anita and Jovanna will drive east . . . in their new Studebaker . . . they bought from Gus Kettmann . . .

The Fred Ingrams (he the manager of Bank of America in Palm Springs) leave Saturday . . . to spend his vacation in Laguna Beach . . . as they do each Summer . . .

I had heard the Charles Beckers of Palm Springs and Springfield, Illinois . . . had gone on an Alaskan trip . . . and they must have for we received a copy of the Alaska News mailed from Anchorage . . . It's an extra with a great big headline that reads . . . "Charlie Becker Strangles 1400-lb. Bear! . . . Serious Meat Shortage is Relieved" . . . The story starts out . . . "In one of the longest, roughest and toughest hand to paw battles between an unarmed man and a vicious 1400-lb. grizzly, the man, a newcomer to the territory proved himself complete master of the situation, and returned to town with a beautiful bearskin and two witnesses to prove his story—Continued on page 9" . . . and it's a four-page newspaper . . . Just don't know what to think . . . but kinda doubt if Winnie will be wearing grizzly bear this Winter . . .

One of my most faithful pen pals this Summer . . . has been Trixie Jarrette, who with her husband Jerry has been on a motor tour into Canada and down the East coast . . . The latest was from Houston, Texas . . . and they were crossing the border into Mexico for a month's stay in Mexico City, Acapulco, Taxco and Guadalajara . . . returning to Palm Springs by September 10 . . .

Polly Isenagle leaves next Wednesday . . . to join Trixie in Mexico City . . . She will fly from Tijuana . . . and will drive back with the Jarrettes . . .

Nina Anderton (who was in Spain the early part of the Summer) . . . entertained at her hilltop home in Bel-Air . . . and I find a lot of familiar names in the guest list . . . Ada and Ray Dodge were there . . . Irene and Bob Andrews . . . Lillian and John McClure (back from Honolulu), the George Barracloughs . . . among others . . . It was a birthday party for Colleen Morrow and Willis Lane . . .

Mrs. James Hammond is at their Village home at 334 Hermosa Place . . . and making a good recovery . . . after spending several weeks in the California hospital in Los Angeles . . .

To you who are reading this far away . . . Palm Springs is just as beautiful as you remember it . . . and we are waiting to welcome you back . . . Make it soon so you don't miss anything . . . Be seeing you.

IN HONOLULU—Miss Mary Branch of Palm Springs is vacationing in Honolulu after a leisurely voyage on the Lurline where she is pictured. She will be a guest at the SurfRider on Waikiki Beach where she is looking forward to spending considerable time in the sea and sun.

Lorraine MacCarthy Weds Edward Hogan in Las Vegas

A Summer marriage of unusual interest in the Village is that of Lorraine Louise MacCarthy, daughter of Mr. and Mrs. Franklin Bullard MacCarthy, of Los Angeles and Palm Springs, and Edward James Hogan, son of Mr. and Mrs. John L. Hogan of St. Louis, Missouri.

The young couple exchanged their vows in the Little Church of the West in the Last Frontier hotel in Las Vegas. In the wedding party were Mr. and Mrs. MacCarthy and the bride's sister and brother-in-law, Mr. and Mrs. Clifford Heinz Jr. of Beverly Hills. The wedding day also marked the seventh anniversary for the Heinzes.

The lovely brunette bride wore white lace over taffeta with a short veil and carried a hand cluster of white roses with magnolia leaves.

An alumna of Immaculate Heart she has been active in

social philanthropic groups.

A graduate of St. Louis University, Mr. Hogan was formerly travel representative for the Chicago Sun-Times and has the Ed Hogan Driving Range at 355 Highway 111.

The bridal couple are on a wedding trip to Pebble Beach, Lake Tahoe, Laguna and Balboa and will make their home in Palm Springs.

Friends Honor Mrs. McCrystal

A baby shower was given in honor of Mrs. George McCrystal at the home of Mrs. Walter Colglazier in Cathedral City, co-hosted by Mrs. Colglazier and Mrs. Charles King.

Mrs. McCrystal was presented with a large chest of drawers and an electric sterilizer, plus many small items. Bingo was played and Lois was surprised during the party by a long distance call from Miss Sonya Hulme of Garden Grove, who was invited but was unable to attend. Punch and cake were served and a series of pictures taken to present to her.

Those attending were Marcie Buresh, Mickey, Carol and Susie Wrathall, Virginia McCrystal, Gertrude Tomkins, Shirley Marquez, Joanne Tomkins, Peggy Minson, Cora Jackson of Coachella, Thelma Goode, Edie Hines, Ethel Danchak, Mrs. Drebing, the honoree, the hostesses and Mrs. King's little daughter, Benita.

Villager Attends Club Convention

Mrs. Claude Yerkes spent three days in Portland, Oregon as a delegate for Palm Springs Toastmistress Club at the International Toastmistress convention, held in the Multnomah hotel.

Mrs. Yerkes will report to her club on what she termed a "most enthusiastic and inspiring meeting."

Cleveland Residents Visit Henry Ferishaws

Mrs. Sophie Terschak and three children are here from Cleveland for a fortnight's visit with Mr. and Mrs. Henry Ferishaw of Outpost Estates.

They came here by way of Texas where they attended the July 11th wedding of Mrs. Terschak's son, Corporal Adam R. Formanek, to Miss Patricia Moore.

Vacationers Hold Reunion in Yellowstone

It's like a Palm Springs reunion in Yellowstone Park with many Villagers having had the same thought for a vacation spot, Mrs. A. Belden Crist wrote to The Desert Sun this week.

Among the Villagers vacationing at Old Faithful in Yellowstone are: Mr. and Mrs. Crist and Linda Sue, Mr. and Mrs. John Powell, Mr. and Mrs. T. P. Hapton Sr., Mr. and Mrs. Bud LeMen and Alvin Watlett, Mr. and Mrs. Elly Windhurst, and Mr. and Mrs. Whitely Mead, who are at Mammoth in the Yellowstone area.

Driving up from Jackson, Wyoming, for a day's visit were Mr. and Mrs. Paul Valencia.

The men have been "having great fun fishing, catching their limit each day," Mrs. Crist said. Mr. and Mrs. Crist and Mr. and Mrs. Windhurst plan to drive to Big Timber, Montana, where they will spend a few days visiting Mr. and Mrs. Ralph Shelley.

The Crists will then go on to Oregon, where they will spend a week visiting Mr. and Mrs. R. C. Brown and daughter, Sharon, then return through California where they will make a few stops visiting and sightseeing before coming back to the Village.

The Windhursts will leave Montana for Iowa where they plan to visit relatives and friends and do some sightseeing. They will return to Palm Springs in September.

Lucile, Susan

Brandle Vacation at Rouse's Point

Mrs. Lucile Brandle and daughter Susan of 634 South Palm Canyon drive are summering at a lakeshore cottage at Rouse's Point on Lake Champlain in New York State. June Brandle, who will be remembered by Playhouse audiences as she made several appearances in minor roles there, is with CBS and remained in Hollywood.

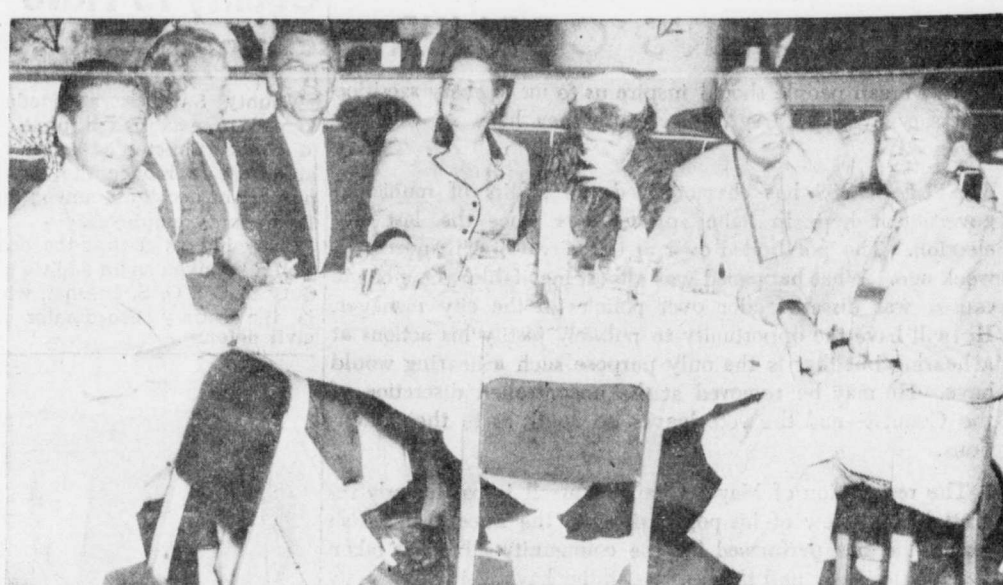

Mrs. Brandle writes Village friends that the caterpillars got into the apple orchards and ruined the crop there this past Spring. She said it was the worst infestation in 50 years and stripped the trees of blossoms and leaves.

The Brandles plan to return to the Village this Autumn.

Club Members Honor President Helen Morris

President Helen Morris of the Palm Springs Business Women's Club was feted by club members at a surprise birthday dinner held in the Blue Room at the Chi Chi Monday evening.

Between 25 and 30 clubwomen attended the dinner which was highlighted by a big birthday cake with candles. Each brought the guest of honor a birthday card with 39 cents enclosed.

NEWLYWEDS ABROAD—Former Villager Benjamin T. Gale and his bride (she was Emma Carter Sadler) are pictured with friends at the Flame in Duluth. The Gales were married in Greenwich, Connecticut on June 17, and are now at home at 21 Oakmont Drive in Los Angeles. Pictured (l. to r.) are: Bud Jackson of St. Paul; Mrs. John Costello of Palm Springs and Los Angeles; Warren Thomas of St. Paul; Mrs. Gale; Mrs. Watson Mendenhall of Duluth; Mr. Gale; and Dr. John Costello.

Pre-Nuptial Showers for Miss Lockett

Shirley Lockett, who will be the bride of David Ainsworth on August 25, will be honored at a number of pre-nuptial events.

Mrs. Henry Greeley of the Village is having a luncheon for the bride-to-be in Redlands, where the Greeleys will spend the month of August. The invitation list will include Villagers and former Villagers.

A swimming party will be given by Mr. and Mrs. John Wheeler at their Pasadena home on Sunday, August 23. Parents of the prospective

bridegroom, Mr. and Mrs. Ainsworth of Wichita, Kansas, who are here for the wedding, will host a dinner party for the young couple. It will be given the evening of August 22 in Long Beach.

Miss Lockett and her mother, Mrs. Donald Lockett, are at their Summer residence in Long Beach.

Ainsworth has recently returned from seven months duty in North Korean waters where he served aboard a Navy minesweeper.

Legion Auxiliary to Attend Annual State Convention

Members of Owen Coffman Unit No. 519, American Legion Auxiliary, are planning to attend the 34th annual state convention of the Auxiliary to be held in Long Beach July 30 through August 2.

Official delegates of the Palm Springs unit are Marian Lienau, unit president; Christine Bonita, past president; and Ina H. Peterson. Alternates are Gladys Follansbee, Jennie Leoncio and Naomi Mitchell.

Convention headquarters will be at the Wilton Hotel and the business sessions will take place at the Municipal auditorium. Mrs. May McCormack of San Leandro, department president, will preside. Registration will open at 10 a. m. Wednesday, July 29.

Special events scheduled are the Gold Star Members Tea in the Sky Room of the Wilton Hotel, Thursday afternoon, July 30; the Past President luncheon, Friday, July 31, at the Pacific Coast Club; and the delegates dinner (which is not restricted to delegates) to be held in the Exhibit hall of the Municipal auditorium, Saturday evening, August 1.

The Legion's annual convention parade will be staged Friday, starting at 2:30 p. m. Auxiliary groups will participate in this spectacular event.

Owen Coffman Unit will resume regular meetings September 15 at the Wars Memorial building, at which time highlights of the convention will be reported to the members by delegates and alternates who attend the Long Beach convclave.

Schrievers Spend Week in San Diego

Mr. and Mrs. L. H. Schriefer of 627 Highland drive and daughter, Dixie Vogels, spent a week in San Diego while Mr. Schriefer was conducting some business at the Naval Training Center there.

The Villagers stayed at the beach house at Pacific Beach. During their stay they visited La Jolla, the zoo, shopped in Tijuana and were cocktail and dinner guests of Lt. and Mrs. H. C. Bhalla at Admiral Kidd's Officers Club. They were also entertained at the Bhalla home atop Mt. Helix.

Carl Barkow, founder and publisher of The Desert Sun for 20 years, this week became a licensed business opportunities salesman, associated with Frank Chambers, realtor and business opportunities broker, of Banning. Barkow will specialize in California newspaper properties and other businesses.

New Apartment House Approved for Palm Desert

A building permit was issued by the Riverside county building department, this week, to permit the construction of an eight unit apartment house on Larrea street in Palm Desert. The property is owned by Dr. Marshall E. Gates and his wife. The building will contain 4,942 square feet of floor space, will be of adobe, and will cost \$38,000 to build.

Rotary Summer Meetings Have 80% Attendance

Attendance at Palm Springs Rotary club this Summer has held up unusually well and regular programs have been carried out. More than fifty per cent have been present at most of the meetings and make-ups by members out of town have brought the club average attendance to well over eighty per cent.

The Rotarians are now meeting at the Palm Springs Biltmore, having taken over the Garlen Room for their luncheons every Wednesday.

THE CLUB has drawn mostly from its own membership for speakers during the Summer. Dr. William Elliott spoke on "The Milestones of Surgery." Ed McCouberty and Cliff Henderson showed colored motion pictures of the 1952 Olympic Games which they attended together last Summer. Sam Barnes told of the background and

growth of the National Cash Register company.

Jim Cavett, who attended the Rotary International convention at Paris early in the Summer, told his fellow members about his trip around Europe and of the highlights of the big gathering. He said that European Rotary clubs wanted to set up their own autonomic organization but that the motion to ac-

complish this change was voted down.

OLIVER JAYNES traced the development of Florida resorts and told about their tourist business promotions. Eddie Davidson spoke on the problems of hotel management. Robert Henwood, hospital administrator, told of activities there at the meeting Wednesday.

The Summer programs were arranged by Arthur Hoff, vice

president of the club, who also presided in the absence of President Herman Reich. As a Commander in the Naval Reserve, Reich spends two weeks on duty every Summer. He also had a trip to Washington, D. C., recently where he joined his son Kenny, who spent two weeks in the nation's capital and had audiences with several high governmental officials. Reich will report on his trip at the meeting August 5.

Recommend Three Local Road Projects

Include Right-of-Way Acquisition for New Highway 111 Route

Three projects affecting Palm Springs were included in a list of 113 state highway improvement projects for the Southern California region submitted to the State highway commission Thursday by the Southern California highway committee of the California State Chamber of Commerce.

The projects were: Widening of bridge over Tahquitz river, widening of Highway 111 south, from Ramon road to the Village, and right-of-way acquisition for new route of Highway 111 through Village.

FOLLOWING THE meeting, the commission announced that it had increased its fund for buying highway rights-of-way in Riverside county from \$2,031,000 to \$4,235,000, but did not indicate which projects would benefit.

Also announced was a decision to replace the truck scales at Whitewater, at a cost

In the heat of the day... Monday p. m. ... Greyhound bus stopped right at my front door... Its driver (a real good Joe) explained... "Have aboard six very hot and tired youngsters headed for the White Sun Guest Ranch, which is a fur piece to walk from the road"...

These kids... Larry Sears, David Oppenheim and Virginia Rudnick of Brookline, Mass... Ellen Elting and Ellen Bandler of Scarsdale, N. Y., and Ellen Menke, New York City... Never had so many questions shot at me... Found out they were part of a group of SITA (Student International Travel Association), on a month's tour through Salt Lake, Northwest Pacific, Los Angeles, to White Sun for a few days then to Needles, Mojave desert, Grand Canyon.

SITA has a group in Hawaii of \$70,000.

Other possible construction projects in Riverside county were not disclosed by the commission.

headed by Villager Jan Rouse... Janet Jaynes, daughter of Oliver and Frankie with the group... Helen Dengler (Mrs. to Jack, owner of White Sun and SITA) in Angier, France, Jack with his Odyssey tour of Europe.

Barrett O'Shea with the very pretty Ann St. Clair... Barrett just returned from Chicago and New York... New England shores... rushed back to commence redecorating the Planter's Hotel in Brawley... which just goes to prove Palm Springs is the Cosmopolitan center of this vast desert area...

IN AND OUT... Alden and Flo Coffin from Encino... in the Village before taking off for their third home... Minneapolis.

Jean Frederick... Encino too en route to Escondido... Jeanne, a most attractive redhead visited attractive blonde Alice Seiler.

Cora McCowan on a week's vacation from her variety store in Farmers Market on La Cienega, week-ending with Dr. Bob and Marj Heikel.

At Desert Air Hotel the Tatum sisters... Jewel and Alberta... Jewel on a vacation from Fireman's Fund Insurance company in Los Angeles... Alberta from research department of Shell Oil.

Dr. Norman Jacobs and the Mrs. from Beverly Hills... Doctor does a fine job of tickling the ivories... "Just can't beat the good old summertime on the desert," they say.

San Marino's loss will be the desert's gain... at least that's one man's opinion of good looking Helen Ellsworth's moving

Cary Contract for Sportscar Races Approved

Council Wednesday approved a contract held by George Cary of the California Sportscar Association, granting him permission to conduct a sportscar race on the local airport.

The contract was signed a few years ago with previous airport operators, and the obligation was assumed by the new operators, according to Malcolm Haskell, co-lessee. It required council approval.

THE RACE conducted by Cary last season attracted approximately 20,000 visitors to the Village.

A request by the Junior Chamber of Commerce to conduct racing at the airport was denied by council.

No Action Taken on Drive Lights

Council Wednesday evening deferred action on a request to have the street lights in operation on Palm Canyon drive during the Summer months, following a report by City Manager Russell Rink that the cost would be \$855 for the balance of the Summer.

The request had been made by Harry Paisley, owner of the Orchid Tree Inn.

her beauty salon from the town without churches, movies or cocktail bars to America's foremost desert resort...

Off to North Shore Club... man about town Phil Peluso... To Bass Lake up in Madera county for a couple weeks fishing... Anne and Mike Buccino with their clan.

To Grass Valley, builder Gene Roberts and his bride Teddy... Then they're off to the Columbia River for salmon fishing.

Dr. Karl and Mary Moran postcard from San Juan Islands... "It's swell up here but can't wait to get back to the desert."

SICK CALL... Andre Garfield, chef at Desert Air Hotel in Coachella Valley hospital... Mary Hutchinson is in there too... In the meantime "Hutch" is holding down the fort and taking care of the dogs at their home on San Geronimo road.

Jean Hanousek going in for a slight operation this week but says it won't be serious.

Cheerio Amigos, Don Cameron

Fred Clatworthy Rites Held July 21

Funeral services for Fred Payne Clatworthy, 77, a Winter resident of Palm Springs for 30 years, were conducted July 21 in Loveland, Colorado. Interment was at Fort Collins, Colorado.

Clatworthy, a noted national photographer, died Saturday, July 18, at Estes Park, Colorado, where he resided during the Summer season. He had suffered a stroke two weeks before his death and never fully regained consciousness.

BORN IN DAYTON, Ohio, August 30, 1875, Clatworthy attended Stetson, Colgate and Denison universities. By bicycle and on foot, he traveled west with his camera from 1898 to 1902, and in 1904 started in business in Estes Park.

He had the distinction of furnishing the National Geographic magazine its first colored photograph in 1923, and was one of the first men to work with the French autochromes. Today the Smithsonian Institute in Washington, D. C., has a permanent collection of his autochromes.

In addition to having lectured in every state in the United States, Clatworthy, in pursuit of his profession, visited 25 different countries.

Survivors are his widow, Mabel; and three children, Fred, Jr., and Helen, both of Estes Park, and Barbara Gish of Denver.

Glendye Services Held Saturday

Graveside services were held Saturday at the Palm Springs cemetery for James W. Angus Glendye, 74, a resident of Palm Desert and Cedar Glenn, California for five years.

He was born in Massachusetts and was a barber in Palm Desert during the Winter season.

Glendye is survived by his wife, Charlott Glendye, and three brothers who reside in Massachusetts.

The Mark B. Shaw mortuary in San Bernardino was in charge of funeral arrangements.

6-The Desert Sun and PALM SPRINGS NEWS PALM SPRINGS, CALIFORNIA Thursday, July 30, 1953

St. Paul's Church Suspends Services During August

Services during the month of August only will be suspended at St. Paul's in the Desert Episcopal church, the Rev. William A. Blondon announces.

St. Paul's will return to regular church schedules on the first Sunday in September, September 6, with Holy Communion at 8 a. m. and Holy Communion with sermon at 11 a. m. The full complement of services will be restored on September 13 with Holy Communion at 8 a. m. church school and family service at 9:30 a. m., and morning prayer and sermon at 11 a. m.

During the month of August, those wishing to attend the Episcopal church are referred to St. Stephen's church, Beaumont, or St. John's church, Indio. Episcopal ministers will be on duty in these two churches during the entire month of August.

Waste Disposal Rates Increased to \$2.50 Monthly

City council Wednesday increased the minimum waste disposal fee for three times a week service from \$2.25 to \$2.50 a month, effective September 1. City Manager Russell Rink recommended the rate increase, explaining that the department was operating at a deficit.

HE HAD ASKED for an increase to \$2.50 several months ago, but at the suggestion of council had agreed to try the \$2.25 rate as an experiment.

John Keefe, director of public works, is currently conducting a survey among waste disposal service subscribers, and has issued an appeal to anyone who has a complaint to call him at the city engineer's office, city hall, 2202.

READ SUN CLASSIFIEDS

Community Church Service Topic Announced

Palm Springs Community Church will hold its worship service at 9:30 a. m. Sunday. The Sunday school from the Nursery up to the Junior age will be held at the same hour.

The Rev. Deran Yaylian, assistant pastor, will deliver the sermon topic, "The Eternal Messenger." This theme is based on the last days of King David.

Two messengers reported the news to King David as they had seen it. One messenger reported with eternal significance, but the other slipped into oblivion as he did not see the issue clearly.

The Youth Fellowship will meet on Wednesday evening for swimming, dinner, recreation and moments of religious inspiration.

Deadline July 31

Deadline for filing California unemployment insurance wage reports and contribution returns covering the second calendar quarter of 1953 will be Friday, July 31. Village area employers were reminded today by William W. Webster, auditor in charge of the State Department of Employment in Riverside county.

'Love' is Christian

Science Sunday Topic

That God is Love and that God's love makes man vital, strong, helpful, and protective is pointed out in the Lesson-Sermon on "Love" to be read in all Christian Science churches on Sunday. The Golden Text from II Corinthians (13:11) reads, "Be perfect, be of good comfort, be of one mind, live in peace; and the God of love and peace shall be with you."

From Luke's Gospel (10:33-35) is taken Jesus' parable of the good Samaritan. He finds a traveller who has been robbed and beaten and none would help him. "But a certain Samaritan," says Jesus, "as he journeyed, came where he was; and when he saw him, he had compassion on him. And went to him and bound up his wounds... and brought him to an inn, and took care of him." And when he departed, he said to the host, "Take care of him; and whatsoever thou spendest more, when I come again, I will repay thee."

"Our Master taught no mere theory, doctrine, or belief, declares Mary Baker Eddy in "Science and Health with Key to the Scriptures." She continues, "It was the divine Principle of all real being which he taught and practiced. His proof of Christianity was no form or system of religion and worship, but Christian Science, working out the harmony of Life and Love" (p.26).

Transfer Wins Twelfth Game of Season 10 to 2

Palm Springs Transfer and Storage won its tenth game of this season by downing the Desert Hot Springs team 10 to 2 Wednesday night.

The Transfer squad took a 6 to 1 lead in the first two innings and added pairs of runs in the fourth and sixth frames.

BILL TICHENOR held the Desert Hot Springs team to four hits, and single runs in the first and seventh innings.

Gene Holmes of the Transfer team hit two home runs, in the first and second innings.

The line score:
P. S. Trans. 330 202 0-10
DHS 100 000 1-2
Tichenor and Heiser; Schicke and Dellinger.

Exhibition Pomona to Play Here Saturday

Desert League All Stars will entertain the Pomona Elks in the fourth exhibition tilt of the season at 8 p. m. Saturday, at the Polo Grounds.

The Pomona Elks played here last year and took a 4 to 3 decision.

The public is invited. Admission is free.

San Diego and Long Beach teams reported to City Recreation Director Howard Haddock that the crowds here during their exhibition games have been the largest they have played before this year.

Tennis Courts to be Lighted

Lighting of the two unlighted tennis courts at North End Park was authorized by council Wednesday afternoon, to be completed in time for the winter season.

One court is currently lighted at night, and is open to the public at a charge of 25 cents per hour. There is no charge for daylight play.

Hot Springs Wins 12 to 6

Desert Hot Springs romped to an easy 12 to 6 win over the Mexican Colony squad Thursday night for their sixth win of the season.

Both teams scored five runs in the first inning, but the Mexican Colony was only able to get one more run during the game, while Desert Hot Springs scored in every inning but the sixth.

Monda Stafford had four hits in five times at bat to lead the winners, while Frank Daniels also had four for five including a home run in the first inning for the Mexican Colony.

Visitors Defeat All Stars, 1 to 0

The best softball team to ever appear in Palm Springs, the General Telephone Company squad of Long Beach, eked out a 1 to 0 victory over the Desert League All Stars Saturday night.

Ned Nelms and Bill Pierson held the local squad to only one hit, a single by Pete Herrera of the Jaycee team. Bill Tichenor gave up only five safe blows and lost the game in the last inning on a double by Bill Murphy and two infield outs.

Nelms and Pierson racked up 17 strikeouts between them, and Tichenor counted 13 victims.

Approximately 500 persons, one of the best crowds of the year, saw the game.

The line score:
Gen. Tel. 000 000 1-1
All Stars 000 000 0-0
Nelms, Pierson and Conser; Tichenor and Heiser.

Boys' Club Edges Police Team 10-8

Boys' Club rolled to their thirteenth victory of the season Monday night by defeating the Junior Police 10 to 8.

Junior Police had taken a 6 to 3 lead in the first inning, and made it 8 to 3 in the second. Then the Boys' Club started to move in the third and scored seven runs before the inning ended.

Catcher Al Gauff had three hits to lead the Boys' Club batters.

The line score:
Police 22 8 5
Junior Police 000 00 4-8
Boys' Club 307 08-10

Brown Leads in Batting Race

Dick Brown of the Junior Chamber of Commerce team is currently leading Desert League hitters with a .563 average, having 18 hits in 32 times at bat.

Averages are counted only for those batters who have been at bat 25 times or more.

Other leading hitters are: Leon Heiser, Palm Springs Transfer and Storage, 18 hits in 38 at bats, .474; Ralph Estrada, Mexican Colony, 14 hits in 33, .424; Frank Daniels, Desert Hot Springs, 14 hits in 34, .412; Bill Tichenor, Transfer and Storage, 13 hits in 33, .394.

APPLY FOR LICENSE
Will Rogers, 45, and Margaret Taylor, 35, both of Palm Springs, made application this week at the county court house for a marriage license.

Sing's Homer Edges Strebe Stars, 6 to 5

A home run by Sing in the last inning with two men on base gave the Cravy-Hathaway a 6 to 5 victory over the Strebe Stars Monday night.

Gomez had walked to open the inning, and Bobby Flores followed with a single. Tomlinson then grounded out before Sing came through with his game-winning blast.

Little League All Stars Win Class B Playoff Title

Palm Springs Little League All Stars moved two steps up the play-off ladder over the weekend by defeating the Redlands Jaycees 7 to 5, in Class B competition at Redlands.

The local squad was scheduled to start Class A play-off competition last night at San Bernardino, and if winner there will play Friday afternoon at the Little League ball park in that city.

The winner Friday will represent this area in the Western Sectional playoffs at Santa Monica.

JOHNNY ANDREAS duplicated his feat here last week of a no-hit game by hurling another one against the Redlands Elks and bringing the Villagers to their first win 6 to 1, Saturday.

Then Bobby Flores came through in the second game against the Jaycees, but came through with tight pitching in the clutch. He gave up three home runs, by Bobo, Mulder and Heese, all with the bases empty.

IN THE FINAL inning, Redlands had the tying run on second with only one out, but Flores struck out the last two men to end the rally and the game.

Johnny Andreas at second was the defensive star of the game, participating in three double plays.

Seattle Remains
4 1/2 Games Behind

Seattle's Rainiers remained within striking distance of first place Hollywood last week, trailing by 4 1/2 games after Sunday's action.

The Rainiers will play Portland this week, while Hollywood will meet third place Los Angeles.

Boys' Club Wins Over Strebe Stars

Boys' Club scored its twelfth victory of the season Friday night by routing the Strebe Stars behind the three-hit pitching of Strada.

The game was called at the end of three innings due to the 10 o'clock time limit.

Boys' Club scored six runs in the first, and added three more in the second and five in the third. Strebe Stars collected two runs in the first and three more in the third.

WIN CLASS B TITLE—Little League All Stars who won the district Class B Playoff title last weekend and now enter Class A competition are (l. to r.), first row, Fred Hathaway, Lando Darling, Billy Moore, Tony Gomez, Leonard Ruiz. Second row Ed Greer, Meredith Helm, Joe Lewis, David Tomlinson, Bob Flores. Third row, LeRoy Segundo, Duane Eskew, Johnny Andreas, Donald Burke.

Ed Oliver Wins Kansas City Open Golf Tournament

Ed (Porky) Oliver, El Mirador Hotel professional set a new tournament record of 269, 19 strokes under par, in capturing the fifth Kansas City Open Golf tournament championship Sunday.

The Palm Springs pro took a first round lead with a 65, then fell behind in the next two days competition, and came back with another 65 to take the title. He finished two strokes ahead of Marty Furgol, who took second with a 271.

Oliver's victory was worth \$3000, and increased his yearly earnings to \$12,326. It was his first major triumph of the year, although he was runner-up to Tamarisk's Ben Hogan in the Masters.

Izell Andrews Sentenced to State Prison

Izell Babe Andrews, 35-year-old Palm Springs laborer, was sentenced to the state prison by Superior Judge O. K. Morton for his part in beating up and robbing an 82-year-old Banning man, John C. Millikan, on June 5.

His companion in the crime, Frankie Lee Connors, has been put on probation for four years.

The pair, driving from Palm Springs to Indio, picked up Millikan as a hitchhiker, stopped their car, beat the aged man and robbed him of \$400.

Andrews told Judge Morton that he had been drinking gin, wine and whiskey prior to committing the crime.

Tire Fire Causes Only \$300 Damage

Damage was limited to \$300 when a tire on a truck trailer caught fire by friction with under-the-bed machinery on the trailer, shortly after noon Thursday at Palm Desert, Division of Forestry reported.

A saving of \$20,000 was reported, which included the truck and contents. Owner of the truck is the Boyd Trucking company of El Monte.

1953 Regulations Available to Hunters

California's 1953 hunting regulations in booklet form are now being distributed by offices of the Department of Fish and Game and its 3000 independent license agencies throughout the state.

The publication was delayed in order to include important changes made at the last session of the legislature.

3 Truck Collision Forces Traffic Detour Onto 111

A three-truck collision one mile north of Indio Thursday morning resulted in one driver suffering critical injuries, and forced detouring of all Highway 99 traffic over Highway 111 through Palm Springs.

Injured was Don P. Easling, who was taken to Coachella Valley Hospital with serious head and leg injuries.

California Highway Patrol officers reported that Easling's northbound tanker struck the rear wheel of a southbound hay truck, then crashed into another tanker following the hay truck.

Officers detoured traffic because gasoline was spilling from Easling's wrecked tanker.

Police Investigate Traffic Collision

Police this week investigated a minor traffic collision at the intersection of Palm Canyon drive and Highway 111.

Cars involved were driven by Wilbur W. Ridings of 1862 South Palm Canyon drive, and Frank Neresesian of 546 Paseo El Mirador.

Max Schleuderer Rites Held Monday

Funeral services for Max Schleuderer, 70, Whitewater, were conducted Monday morning at Wiefels and Son mortuary in Banning, with Father Patrick Walsh officiating. Interment was in Sunnyslo cemetery there.

Schleuderer died Saturday at his home on Snow Creek road. He was the oldest lighthouse keeper in Coast Guard service prior to his retirement June 30. He had maintained a home in the desert for several years.

Survivors are his widow, Jackie; one brother, Joe Schleuderer of Forterville, Florida, and a niece, Anne Gracchi of Santa Rosa.

Police Seek Man for Grand Theft

Police this week issued a "want bulletin" for Charles Richards, employee of a local hotel, who is charged with grand theft of \$235 which was entrusted to him for deposit in the bank by a local business.

The Desert Sun—10 and PALM SPRINGS NEWS PALM SPRINGS, CALIFORNIA Thursday, July 30, 1953

FISH STORY—One of the biggest fish stories of the season is the picture above of Hy Finerman, owner of Ramon Drug, who is posing behind a "fish display" at Lake Arrowhead. Hy promises fish stories to everyone who visits Ramon Drug within the next few weeks.

From Page 1—MORE ABOUT RINK

in order that they may know how their tax money is spent.

"THE COUNCIL'S second charge that they have lost confidence in his performance of the duties as city manager is anomalous. No city council is obligated to take any of the manager's recommendations. If 50 per cent of them are accepted the score is good, yet over half of all my recommendations have been accepted by the Council. If the Council has lost faith then why have these recommendations been accepted?"

"The answer is that the recommendations have been based on the soundest business principles I could find coupled with good municipal practice gleaned from extensive reading and 13 years experience in three California cities.

"THE FINANCIAL position of the city is better now than it has ever been. The Capital Outlay Fund has a balance of \$291,000. The Unappropriated Reserve, which is the city's

working capital, has grown from a perilously low figure of \$58,000 in June 1949, to \$256,000 today.

"Certainly revenues have increased as the city has grown in the last four years, but likewise the city has taken on added burdens of service and maintenance and raised salaries an average of 29 per cent. Without careful management it is very easy for a city to merely live from hand to mouth without building reserves to cushion against a depression or natural disasters.

"DURING MY SERVICE with Palm Springs, most of the \$950,000 bond construction program has been administered in a period of rising costs. The widening and paving of Indian avenue required a great amount of negotiation to protect the interests of the many owners on the street while at the same time conserving the taxpayers' money. Palm Springs enjoys a lower fire insurance rate than it did four years ago. Plans are in the making to secure a still lower rate by the installation of a fire alarm system and improvements in the fire department.

"Four years ago the city's airport was a rundown Army installation that did little to convey the beauties of Palm Springs to the air traveler. With a nominal amount of money this important front door to the city has been made attractive by the use of ingenuity and knowledge of airport operation.

"I DO NOT PROPOSE to take personal credit for all of this progress. I have merely headed a team of fine employees, many of whom I have had the privilege of appointing. I do not claim to be infallible. Only the man who does nothing is free from mistakes. When making progress in a field as complex

as municipal government, fettered with multitudinous restrictions, errors will creep in. But a continuous, sincere effort is made to administer the affairs of the city in a manner that will bring credit to the community at low cost to the taxpayer.

"My recent appointment of an out-of-town chief of police has displeased many of the councilmen. The city manager ordinance places the sole responsibility for this appointment upon the city manager in keeping with the belief that the position should be non-political. I could not live with my conscience if I appointed anyone other than the best police administrator I could find for the salary offered. If that man happened to be on the force, well and good.

"THE COMPETITION proved to be keen and I received applications from many capable men. Six of the 60 applicants were selected to take a difficult written examination secured from the Civil Service Assembly of the United States and Canada. References of the top three were carefully checked and personal interviews conducted. John S. Davis, with 19 years police experience, the last seven with the Atomic Energy Commission was appointed.

"When it is considered that the police chief controls the expenditure of \$125,000 of the taxpayers' money each year, and has the responsibility of providing protection to the life and property of this community, the need for a top flight police administrator is obvious.

"As provided by the city manager ordinance, I have demanded a public hearing on the charges made by the Council. I have requested that the hearing be held in November when the majority of citizens have returned to the city."

Carnation Corner

Maybe we don't go buggy-riding down shady country lanes any more—but there's one old-fashioned summertime pleasure we can still enjoy—and that's thirst-quenching, country-flavor cold buttermilk!

Carnation Buttermilk has all the real old-fashioned flavor. It quenches thirst as nothing else can. And tastes so good that it hardly seems to matter whether it's good for us or not (though it certainly is—actually higher in protein and minerals than regular milk!)

WAX FLOORS NEW WORK—SAVING WAY!
Spray self-polishing wax on your kitchen and bath linoleum—using a regular insect spray! Goes on evenly, saves all that crawling around on the hands and knees!

If you want something new, or haven't quite learned to love plain buttermilk yet, try my Tomato-Buttermilk Refresher! It will be your standby for a mid-afternoon pick-me-up, and your prized refresher for summertime guests!

Tomato-Buttermilk Refresher

Combine equal parts cold Carnation Buttermilk and chilled tomato juice. Add a pinch of seasoning salt for extra zip.

Here's an easy barbecue menu for you, made "different" by your Carnation Tomato-Buttermilk Refresher and an unusually delicious steak sauce.

CURED STEAKS BUTTERED BUNS
PIQUANT STEAK SAUCE
POTATO CHIPS **CARROT STICKS**
TOMATO-BUTTERMILK REFRESHER

Piquant Steak Sauce

(Makes about 2 cups)
1 cup (1/2 pint) sour cream
2 tablespoons chopped green onion
2 teaspoons sugar
2 tablespoons vinegar
1/2 teaspoon salt

Combine all ingredients in shaker or bowl. Blend thoroughly. Spoon over hot cubed steaks or broiled hamburgers.

HOT STUFF! For extra-spicy sauce, add 2 teaspoons grated horse-radish to above recipe.

ZE FRENCH

HAD A WORD FOR IT!

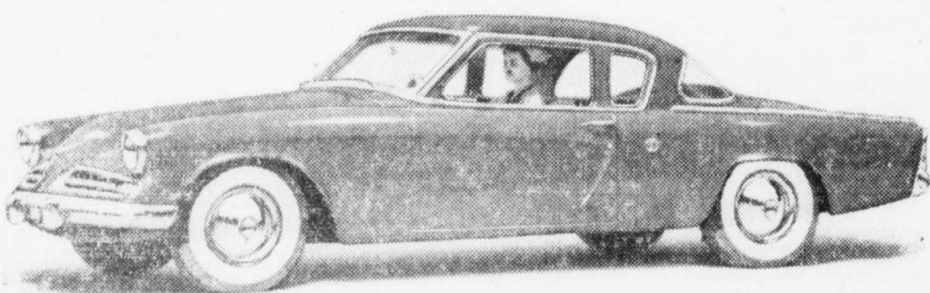

Long ago, when the French roasted a whole animal on a spit, they referred to the process as "barbe-a-queue", which means "from snout to tail". Our earliest settlers soon changed the phrase to our word "barbecue". . . and the feast was so known in Virginia before 1700. In many sections of southern and western United States, a giant barbecue is still a popular outdoor festival, and centers around a beef dressed whole and roasted over a pit fire. At these big affairs, the basting is done by dipping new brooms in tubs of sauce and "painting" the turning meat!

Hot Dogs for a Crowd?
Pop them in a wire corn-popper, broil over barbecue coals or picnic fire. All the good outdoor flavor without dropping them in the ashes!

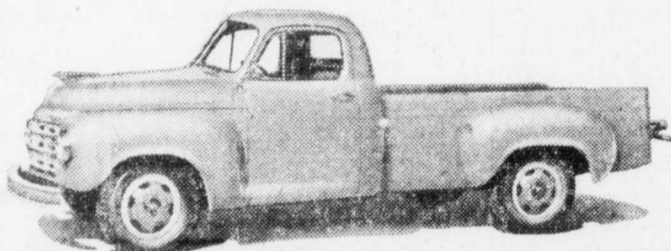

DON'T FORGET—that good Carnation Buttermilk that tastes so fine is a wonder-worker in baking, too! Look up your recipes for buttermilk biscuits and pancakes. Carnation Buttermilk makes them so light, tender and delicious!
